WINE TASTING MASTERCLASSES

Since 1228 Ashford Castle has welcomed some of the most discerning guests through its fabled doors. To meet each guest's individual needs our wine cellar has been a great source of inspiration. The cellars at Ashford Castle date back to the 17th century and have housed some of the greatest wines ever made.

In a hidden valley at the Southern tip of the new world lies a winery that combines the best of the old ways with a streak of innovation and creativity. Established in 1989, the now world renowned Bouchard Finlayson winery is located in the internationally acclaimed wine region of Walker Bay in the Western Cape. The winery began as a collaboration between Paul Bouchard, celebrated Burgundian winemaker, and locally awarded talent, Peter Finlayson. This blend of old and new world can be found in everything from the mix of steel and concrete tanks, to the modern and classical art on the walls, right through to the wines themselves. Collaboration has always been a part of the estate, which is today owned by the Tollman family of The Red Carnation Hotel Collection and collaboratively run by Victoria Tollman and Peter Finlayson.

Bouchard Finlayson has established a global reputation for its flagship wine, the Galpin Peak Pinot Noir, which has won numerous awards and accolades. Other cultivars from the farm include Chardonnay, Sauvignon Blanc, Sangiovese, Chenin Blanc and Riesling.

The Wine Geese wines are also well represented on the list. These wines are made throughout the world by families of Irish ancestry. From Old World classics such as Château Leoville Barton and Château Siran in Bordeaux, to New World champions like the O'Dwyer Winery in Clare Valley Australia, there is a beautiful and interesting history behind each wine.

We are proud to offer vintage wines by the glass through the use of the latest wine preservation technology, the 'Coravin' system. Some of the wines featured will make use of this system.

PRIVATE TASTINGS AND MASTERCLASSES

At 4pm and 5.30pm every day, our team of expert sommeliers offer private tastings and masterclasses showcasing these fine wines. Each tasting lasts 45 minutes and takes place in our state-of-the-art wine cellar, the first of its kind in a hotel in Ireland. Tastings and masterclasses are available by appointment, please speak to concierge to arrange your booking. Maximum two different wine tastings per group.
